The legal framework for administration of foreign exchange transactions in India is provided by the Foreign Exchange Management Act, 1999. Under the Foreign Exchange Management Act, 1999 (FEMA), which came into force with effect from June 1, 2000, all transactions involving foreign exchange have been classified either as capital or current account transactions. **Q 1. What is the Liberalized Remittance Scheme (LRS) of USD 2,50,000?**

Ans. Under the Liberalized Remittance Scheme, all resident individuals, including minors, are allowed to freely remit up to USD 2,50,000 per financial year (April – March) for any permissible current or capital account transaction or a combination of both. Further, resident individuals can avail of foreign exchange facility for the purposes mentioned in Para 1 of Schedule III of FEM (CAT) Amendment Rules 2015, dated May 26, 2015, within the limit of USD 2,50,000 only.

The Scheme was introduced on February 4, 2004, with a limit of USD 25,000. The LRS limit has been revised in stages consistent with prevailing macro and micro economic conditions.

- Remittance from India for margins or margin calls to overseas exchanges / overseas counterparty.

  - Remittances directly or indirectly to those individuals and entities identified as posing significant risk of committing acts of terrorism as advised separately by the Reserve Bank to the banks.

**Q 3. What are the purposes under FEM (CAT) Amendment Rules, 2015, under which a resident individual can avail of foreign exchange facility?**

Ans. Individuals can avail of foreign exchange facility for the following purposes within the LRS limit of USD 2,50,000 on financial year basis:

**Q 4. Under LRS are resident individuals required to repatriate the accrued interest/dividend on deposits/investments abroad, over and above the principal amount?**

Ans. No, the investor can retain and reinvest the income earned from portfolio investments made under the Scheme.

However, a resident individual who has made overseas direct investment in the equity shares and compulsorily convertible preference shares of a Joint Venture or Wholly Owned Subsidiary outside India, within the LRS limit, then he/she shall have to comply with the terms and conditions as prescribed under [Foreign Exchange Management (Transfer or Issue of any Foreign Security) Regulations 2004 as amended from time to time] Notification No. 263/ RB-2013 dated August 5, 2013.

**Q 5. Can remittances under the LRS facility be consolidated in respect of family members?**

Ans. Remittances under the facility can be consolidated in respect of close family members subject to the individual family members complying with the terms and conditions of the Scheme. However, clubbing is not permitted by other family members for capital account transactions such as opening a bank account/ investment / purchase of property, if they are not the co-owners / co-partners of the investment / property / overseas bank account. Further, a resident cannot gift to another resident, in foreign currency, for the credit of the latter's foreign currency account held abroad under LRS.

**Q 7. Is it mandatory for resident individuals to have Permanent Account Number (PAN) for sending outward remittances under the Scheme?**

Ans. Yes, it is mandatory for the resident individual to provide his / her Permanent Account Number (PAN) for all transactions under LRS made through Authorized Persons.

Ans. There are no restrictions on the frequency of remittances under LRS. However, the total amount of foreign exchange purchased from or remitted through, all sources in India during a financial year should be within the cumulative limit of USD 2,50,000.

2015, such as for private and business visits which can also be provided by FFCs. As FFCs cannot maintain accounts of remitters the proviso (as mentioned in para 5.4 of the circular *ibid*) has been confined to capital account transactions. However, FFCs, are required to ensure that the "Know Your Customer" guidelines and the Anti-Money Laundering Rules in force have been complied with while allowing the current account transactions.

For remittances pertaining to permissible current account transactions, if the applicant seeking to make the remittance is a new customer of the bank, Authorised Dealers should carry out due diligence on the opening, operation and maintenance of the account. Further, the AD should obtain bank statement for the previous year from the applicant to satisfy themselves regarding the source of funds. If such a bank statement is not available, copies of the latest Income Tax Assessment Order or Return filed by the applicant may be obtained. He has to furnish Form A-2 regarding the purpose of the

**Q 15. Are there any restrictions on the kind/quality of debt or equity instruments an individual can invest in?**

Ans. No ratings or guidelines have been prescribed under LRS of USD 2,50,000 on the quality of the investment an individual can make. However, the individual investor is expected to exercise due diligence while taking a decision regarding the investments which he or she proposes to make.

**Q 16. Whether credit facilities (fund or non-fund based) in Indian Rupees or foreign currency can be extended by AD banks to resident individuals?**

Ans. LLP is a body corporate and has a legal entity separate from its partners. Therefore, if the LLP incurs/sponsors the education expense of its partners who are pursuing higher studies for the benefit of the LLP, then the same shall be outside the LRS limit of the

---

individual partners and would instead be deemed as residual current account transaction undertaken by the LLP without any limits.

**Q 22. Clarification on remittance by sole proprietor under LRS.**

Ans. In a sole proprietorship business, there is no legal distinction between the individual / owner and as such the owner of the business can remit USD up to the permissible limit under LRS. If a sole proprietorship firm intends to remit the money under LRS by debiting its current account then the eligibility of the proprietor in his individual capacity has to be reckoned. Hence, if an individual in his own capacity remits USD 250,000 in a financial year under LRS, he cannot remit another USD 250,000 in the capacity of owner of the sole proprietorship business as there is no legal distinction.

However, all residual current account transactions undertaken by such entities are otherwise permissible without any specified limit and are to be disposed off at the level of AD, as hitherto.
